### Conference Registration Details

**Registration for this conference is limited to 50 participants. Due to the advanced training level, attendees will be individually selected. The following information must be provided with your request for registration:**

- Attendance is limited to those individuals who have already completed a two-day Tier 1 training with Dr. Ablon in Oregon or its equivalent in Boston.
- Applicants must indicate on their registration form how and in what setting they plan to use these advanced training skills.
- Applicants must include a brief description of how this training will assist them in working with other providers and systems of care in their community.

# Treating Explosive Kids: The Collaborative Problem Solving Approach

## Specialized TIER II Advanced Training Opportunity

### About the Presenter

**J. Stuart Ablon, Ph.D.**, is Director of Think:Kids in the Department of Psychiatry at the Massachusetts General Hospital (MGH) where he specializes in the treatment of explosive, inflexible, easily frustrated children and adolescents and their families. He is also Director of the Psychotherapy Research Program at MGH and Associate Clinical Professor of Psychology in the Department of Psychiatry at Harvard Medical School. He has authored numerous books, articles, chapters and scientific papers on behavioral assessment and psychosocial interventions for children with disruptive behavior disorders.

### Description/Objectives

This two-day workshop will teach advanced skills in the use of the model described in the book “Treating Explosive Kids: The Collaborative Problem Solving Approach”. As a result of participating in this continuing education activity, attendees will be able to:

1. Conduct detailed and specific assessments of triggers and lagging thinking skills
2. Proficiently engage in both problem-focused and skills-focused proactive Plan B conversations
3. Assist others in learning the model

### Continuing Education Statement

NASW credits have been applied for and are pending. For NBCC credits, SOASTC adheres to continuing education guidelines. 12 credits will be awarded for attendance at this two day conference.

.....  
TO APPLY:

**Identify which two-day training (date, location) with Dr. Ablon you’ve attended:**

**Identify in what clinical or child setting you plan to use advanced training skills acquired as a result of attending this training:**

**Identify how this training will help you work with other providers and the system of care in your community:**
