

Become Certified in CPS

Collaborative Problem Solving® Certification Program

The CPS Certification Program is a great way to learn alongside other educators, clinicians, parents, administrators, etc. who are passionate about using the Collaborative Problem Solving® approach.

Join an impressive network of trained individuals and receive detailed feedback from CPS Instructors as you go through certification.

Requirement: Completion of CPS Tier 1 & Tier 2 training within the last 3 years.

APPLICATION DEADLINES:

April 1st Group Supervision starts in June Summer Cohort	August 1st Group Supervision starts in October Fall Cohort	December 1st Group Supervision starts in February Winter Cohort
--	--	---

To apply for the Certification Program, please include a **recording of you conducting a full Plan B conversation, a complete CPS APT, a complete Plan B Worksheet, a signed Consent Form & a completed Self-Assessment Form.** All required materials will be provided to you.

Application: \$150 USD | **Learn more & Apply:** www.thinkkids.org/train/certification

PROGRAM OUTLINE

Upon acceptance, the CPS Certification Program requires:

- Participation via web in 14 or 16-weekly group supervision sessions (# of sessions is dependent on size of group)
- Individualized, written feedback on at least 3 recordings of you having Plan B conversations
- Attend at least two 1:1 Live Coaching Calls
- Feedback on written responses to commonly asked questions

After successfully completing these steps, participants are officially CPS Certified!

BENEFITS

Upon becoming CPS Certified you will receive:

- CPS Parent Group Curriculum (including videos)
- Recognition on the Think:Kids website
- A Certificate of Completion
- Ongoing professional development webinars throughout the year
- Marketing support to help promote groups/practice
- Opportunity to apply to become CPS-Trainer
