

# Become Certified in CPS

## Collaborative Problem Solving® Certification Program

The CPS Certification Program is a great way to learn alongside other educators, clinicians, parents, administrators, etc. who are passionate about using the Collaborative Problem Solving® approach.

Join an impressive network of trained individuals and receive detailed feedback from CPS Instructors as you go through certification.

**Requirement: Completion of CPS Tier 1 & Tier 2 training within the last 3 years.**

---

### APPLICATION DEADLINES:

To apply go to: [www.thinkkids.org/train/certification](http://www.thinkkids.org/train/certification) & create an account.

Applications should include a **recording of you conducting a full Plan B conversation, a complete CPS APT, a complete Plan B Organizer, a signed Consent Form & a completed Self-Assessment Form.** *All required materials will be provided to you.*

**Application Fee: \$150 USD** \*non-refundable/non-transferable

---

### PROGRAM OUTLINE

Upon acceptance, the CPS Certification Program requires:

*\*Tuition fee required (\$1,400 USD).*

- Participation via web in 14 or 16-weekly group supervision sessions (*# of sessions is dependent on size of group*)
- Submission of at least 3 recordings of you having Plan B conversations, along with supporting documentation
- Participation in at least two 1:1 Live Coaching Calls
- Completion of written responses to commonly asked questions

**After successfully completing these steps, participants are officially CPS Certified!**

---

### BENEFITS

Upon becoming CPS Certified you will receive:

- Access to CPS Materials
- Recognition on the Think:Kids website
- A Certificate of Completion
